

THE "GOOD INTENT" AT PITTSBURG.

Presentation to the Duquesne Fire Company—The Supper at Wilkins Hall—Interesting Proceedings.

The delegation from the Good Intent Hose and Hook and Ladder Company of Philadelphia, who arrived in this city on Sunday, were shown through the city yesterday by our friends, and had a good time generally. In the evening the formal presentation of the testimonial from the Good Intent to the Duquesne took place. The testimonial consists of the resolutions of thanks to the Duquesne, the Eagle, and the Vigilant Fire Companies for their courtesies and attentions to the Good Intent upon the occasion of their visit to this city in September last. The testimonial is really a beautiful work of art. The resolutions, which are engraved, are mounted on an eagle with a scroll in its beak, upon which is inscribed "Good Intent, No. 7, of Philadelphia, to the Duquesne, No. 3, of Pittsburg." Underneath is a life-like representation of the genial countenance of Chief Engineer David M. Lyle, of Philadelphia; below is a fine scene, and at each side stands a fireman fully equipped. The lower corners are ornamented with flowers, shields, flags, etc., arranged in a very artistic manner. The testimonial was executed with pen and ink by a Philadelphia artist, who was engaged for two months in producing it. The whole is surrounded with a handsomely carved walnut frame, in Gothic style, five inches wide. The picture is about five feet high, and three feet in width.

At eight o'clock last evening, the Duquesne Fire Company formed in procession, and proceeded by a brass band, marched to the new Union Hotel, on Liberty street, the headquarters of the delegation. The testimonial was presented to the Duquesne. Here a meeting was organized by calling Mr. Thomas W. Davis to the chair, and appointing Mr. John Hamill Secretary. Major W. Williams, of Philadelphia, presided at the meeting, and in a neat and pertinent address, presented the testimonial to the Duquesne. Mr. William N. Ordan received the present in the name of the Duquesne, in a few appropriate remarks.

Upon the conclusion of the presentation ceremonies, a procession was formed by Mr. Hamill, the marshal of the occasion, in the following order:—Band; Mayor McCarthy and invited guests; representatives of the Eagle and Vigilant of this city; the Hope of Allegheny delegation from Philadelphia; members of the Duquesne. The procession took up its line of march for Wilkins Hall, where a sumptuous entertainment had been prepared, to which ample justice was done. Upon the removal of the cloth an organization was effected by calling the Mayor to the chair, when toasts were drunk and responded to. The best of good feeling prevailed, and the entertainment was kept up until a late hour. The excursionists will leave for Philadelphia this afternoon at four o'clock. The firemen of the city are endeavoring to render their short stay with us as pleasant as possible, and they are succeeding admirably.—Pittsburg Commercial, Tuesday.

THE FREEDMEN.

Large Meeting in Choctaw, Ala.—The Emigration Scheme—Rebel Outrage. CHOCTAW, August 16.—A tremendous colored meeting was held yesterday in Choctaw county, Alabama. About 7000 freedmen were present. Resolutions were passed with regard to the emigration scheme, and it was determined to send a committee to Washington to confer with the authorities for free transportation. The meeting was repeatedly disturbed by ill-disposed white persons, but no casualties occurred.

Kentucky.

WASHINGTON, August 16.—General Jeff. C. Davis, of Kentucky, forwards the following statistical report of Bureau affairs in the State for July:—

Table with columns: Sub-Districts, Crutchiees made, Average on blacks, Crutchiees made, Average on whites, Crutchiees made, Average on colored.

The Houston Telegraph, in noticing the mobbing of Mr. Ruby, a teacher of a colored school at Jackson, Louisiana, says:—"The attack, beating, kicking, and dragging of Mr. Ruby seems to be entirely without excuse. He had but newly arrived, and his only offense was that of instructing his fellow people of color. Yet his treatment was most cruel. A great many of these outrages have occurred in Louisiana. We are glad to know that the people of Texas have been much kinder to the colored school-teachers, and while we could wish that there was less prejudice toward them, still we congratulate ourselves that Texas has not disgraced themselves as have the people of Louisiana.

We are beginning to recognize the fact that our comfort and perhaps our safety demand that the negro be educated and raised above his present abject condition. We believe that no personal violence has been offered to any teacher under the Bureau of Education. This argues for us a higher state of civilization than our neighbors enjoy. We believe that the colored schools of Texas are the most prosperous of those established in the Southern States. They are conducted with an expense to the Government, being entirely supported by the blacks themselves.

A Convention of Seceders from the Presbyterian General Assemblies. St. Louis, Mo., August 16.—A Conference of Rebel ministers and laymen, composed of disaffected Presbyterians, disassociated with the action of the General Assembly on the slavery question, is in session here. About 300 ministers and 40 laymen, chiefly from Kentucky and Missouri, are in attendance. Disappointment is expressed that Dr. Van Dyke, of Brooklyn, is absent, as the Conference contemplates forming an independent Old School Church. Today, resolutions were passed, in substance as follows:—

To prepare a statement of doctrines, ecclesiastical principles and policy, on which to stand, as against the unscriptural and unconstitutional acts of the Assemblies of 1861 and 1862 inclusive, to be adopted as the official action of this Conference.

To prepare a popular warning against the errors of the General Assembly of five years back.

To urge co-operation in this movement from all who are opposed to the stored acts of the Assembly.

Committees were appointed to carry out these resolutions. Dr. Wilson, author of the "Declaration and Testimony," is to be chairman of the first committee, and Stuart Robinson, late of Canada, of the second.

Wheat Not Much Damaged—The Quality Not Below the Average. CHICAGO, August 16.—The summary of the latest trustworthy information from Wisconsin, will not be much below the average in former years, though the quantities secured will be some less, on account of its ripeness.

Very recently there have been rediscovered in Brazil the rich silver mines worked by the Jesuits. A similar discovery is reported in South California, where the Indians were compelled and bribed to science by the Jesuits who worked the mines.

GREAT SAVING OF TIME, LABOR, AND MONEY. FLANDERS' PATENT PORTABLE CYLINDER BORING MACHINE. Marine and Stationary Engines, Blast Cylinders, Pumps, and Corn-Valves bored out without removing them from their present positions. Engines bored, or every size and build, either when vertical, horizontal or inclined, from 18 to 300 horse-power, by revolving and cutting both ends and piston. This is the only true way to bore a cylinder as no part of the machinery is moved from its present place, except what is mentioned above. A great amount of time is saved, as the work is completed in less than one fourth the time required by the old method. All orders promptly attended to. No. 1625 FIFTH STREET, PHILADELPHIA.
